Killer diarrhoea bug spread by cooling systems

A MUTANT strain of the winter vomiting bug that thrives in the summer months is cutting a swathe through Brits.

Thousands have been struck down by the sickness-and-shitting virus and are trapped in the toilet while others enjoy temperatures nudging 100 degrees.

And there are fears that the highly-contagious bug is being wafted around factories and offices by FANS, which are going full pelt to keep workers cool.

A source said: "Fans may keep you cool but they – and air conditioning – circulate bugs like you would not believe."

Public Health England data shows 780 people have caught norovirus since May, when the UK first began to bask in the heat.

Iceberg

But that could be the tip of a shitty iceberg.

Experts claim the true number is likely to be in the thousands, as PHE data is based only on confirmed laboratory reports from people who have visited their doctor.

Reports are now emerging of 'unusually high' numbers of people battling both diarrhoea and vomiting – even though officials insist it is not norovirus.

But if the notorious shit-plague has mutated, it could lead to a tsunami of vomit and diarrhoea when the cold weather hits.

Medics advise that anyone with suspected norovirus should stay away from their doctor's surgery unless symptoms last for more than three days or there is blood in their plop.

The highly-contagious illness can KILL vulnerable folk, experts warn.

Knife thief had a CHEESEY excuse

A DRUNK who brandished a knife in a police car said he had the blade as he'd been eating CHEESE!

Officers pointed Taser stun guns at James Taylor and handcuffed him after he produced the knife when they woke him in the back of their car, Mold Crown Court heard.

He'd been found lying in the road in Kinmel Bay near Rhyl, north Wales, on two occasions in the early hours of May 31 this year, after drinking heavily at a friend's house.

The 31-year-old, of St Asaph Avenue, Kinmel Bay, claimed he'd had cheese earlier in the evening and that's why he may have had the knife, but Judge Rhys Rowlands dismissed that.

Taylor *(above)* was on conditional discharge for two offences of stealing vacuum cleaners from a Sainsbury's in Rhyl worth £430.

He was sentenced to seven months in prison – six for having the blade and one for committing an offence while conditionally discharged.

I BURNT MY BELLEND ON FURNACE FRIDAY

COCK-UP: Alan had to go to A&E with his sunburnt todger

Horror for sunbather

By SIMON DEAN
simon@sundaysport.co.uk

WITH temperatures soaring into the high nineties and the office air-con struggling to cope, insurance assessor Alan Jarvis was cock-a-hoop when his boss said: "That's enough for one day!"

Like thousands of others on what was dubbed Furnace Friday, the 34-year-old singleton got an early dart.

Alan said: "I went to a sports shop and bought some shorts then I went up to Hampstead Heath for some sunbathing. I finally found a spot and fell asleep."

But what had started as a great afternoon soon turned to shit.

Screaming

Alan said: "Some screaming woke me up. I've no idea how long I'd been asleep. There was a woman with a dog standing in front of me screaming 'Pervert, pervert".

"I had no idea what she was on about but then I realised my todger had slipped below the hem of my shorts and was poking out like a little plum.

"I was still quite sleepy but then it hit me. The pain!

"My bellend had been sunburned quite severely. It was agony just to put it back in my shorts.

"I hobbled away, with this woman still yelling and was going to go home but I had to go to A&E. They gave me a local anaesthetic and some ointment.

"Let me tell you, there is no pain like a sunburnt bellend."

Predictions that Friday would be the hottest day in UK history fell flat as cloud brought rain and thunderstorms to many areas.

But still temperatures nudged 97 degrees in the south east.

F**K NEWS: It's thought vicar bled to death from a sharp bit of metal in the Trump doll's arse

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

A KINKY vicar bled to death after his penis was lacerated by the rectum of a badly-made DONALD TRUMP sex arse.

The Rev Tony Atkinson was found by his housekeeper naked and dead in a pool of blood with his flaccid member still inside the inflatable American President sex doll.

The vicarage in the small Wiltshire village of Detroit was sealed off while forensic officers conducted a search but last night authorities confirmed there were no suspicious circumstances.

Sharp

A source said they believed a manufacturing fault may be to blame for the vicar's death.

They said: "It seems there was a very small, very sharp metal bit in the doll's rectum.

"The vicar had thrust into the doll and lacerated a major blood vessel at a moment of maximum penile engorgement. He may have taken a while to bleed out.

"He could have called 999 for help but, who knows, maybe he was embarrassed.

"Let's be honest, it would be a difficult call. 'Hello? I'm bleeding to death after slicing my cock open on a Donald Trump sex doll'. It's not a call I'd like to make."

The Trump sex doll was not the Rev Atkinson's first sex-related mishap.

In 2012 he almost died after crashing his car while watching a XXX-rated vid starring former N-Dubz beauty Tulisa Contostavlos.

Glenda Spruce, secretary of the Detroit Parochial Church Council, said: "We had rather hoped that, after that Tulisa video business, the vicar might have seen fit to mend his ways.

"But it seems that he still had his little foibles. Donald Trump though? What's that all about?"

Last night "The Donald" – a Taiwanese-made £79.99 sex doll modelled on the controversial U.S. leader – was still on sale on several adult websites.

Anna: My lesbo sex act scene is the raunchiest I've ever done

SEX poppet Anna Friel says the lesbian sex scenes in her TV show *The Girlfriend Experience* are so raunchy, "you want to take a shower afterwards".

The 41-year-old, who became a British megastar after the *Brookside* lezza kiss way back in 1994, shared a red-hot, full-on Sapphic sex scene with Louisa Krause in the Yank drama.

And Anna's chuffed with it.

She said: "I dare you not to blush when you watch it!

"It's all natural light, not one prop, not one extra. And no rehearsals. It was like doing live theatre.

"And the biggest full-on lesbian scenes that you've seen in your life! It's all about submission and dominance. You want to take a shower afterwards."

And, comparing it to the Brookie kiss, she added: "If that little kiss 24 years ago caused the hugest storm, whoa, imagine if this was on back then!"

Fanny grabber 'did no wrong'

AN Egyptian immigrant who admitted carrying out attacks on 13 women complained that nobody warned him it was illegal to grab women by the private parts, or to masturbate in public.

The perv, identified only as Aly E, said such things were perfectly normal in his homeland, and he was shocked when he learned through a translator that he had broken the law.

The 29-year-old is on trial after assaulting 13 women, six of them sexually, between April 2015 and February 2018 on the capital city's metro system.

Aly, who came to Germany when he was 14, confessed to the sexual assaults but said it was unfair that he was prosecuted.

He told the court: "In Egypt this happens frequently, it isn't penalised. Nobody told me that this was wrong here."

BRITS PANIC-BUYING HOSEPIPES AS BAN LOOMS

WATER SHOCKER: Fight is on to stock up on hosepipes

HOSEPIPES are changing hands on the black market for up to £20 a METRE ahead of the garden appliance being outlawed.

United Utilities, whose leaky system supplies water to the north west of England, announced that hosepipes would be banned from August 5.

That's led to a stampede towards DIY stores and hardware shops as gardeners and piped water fans desperately try to beat the restrictions and stock up on the soon-to-be-illegal apparatus.

One hardware shop owner, who asked not to be named for fear of reprisals from water authorities, said: "Within two hours of the ban being announced, there was not a hosepipe in the shop.

"I doubled the price and then tripled it, but still they sold. There's no more at the wholesalers.

"Honestly, I could have named my price at the end.

"Two men were at each end of a hosepipe in a desperate tug-of-war. It was ugly... really ugly."

Trafficking

There are fears that criminal gangs, scenting profit in under-counter hosepipe trafficking, may try to cash in.

Hosepipe owners have been advised to keep their pipes in the house or in secure outbuildings to deter opportunist thieves.

A source said: "We've already had reports that one-metre lengths of hosepipe are being sold for £15 or even £20.

"When they are going for that kind of price, it's little wonder that the criminal element is attracted.

"There are even rumours that Albanian shit gangs are moving into hosepipes.

"If these guys come for your hosepipe, just hand it over and inform the authorities.

"These guys are ruthless. No hosepipe is worth losing your life for.

"It's madness out there. Stay safe, people."

In Northern Ireland, where hosepipes were banned at the start of July, it's thought that former paramilitaries have cornered the black market in hosepipes.

STAMPEDED: But DIY stores are running out of the soon-to-be-banned garden watering apparatus

POKEY NIPS!

See-thru Gaga's a splasher

POKER Face singer Lady Gaga was more POKE-Y Nips after taking a tumble in the ocean during a photoshoot in Malibu.

The 32-year-old was left with a sea-thru dress after she ran from the crew into the surf, falling into the waves and was left fully submerged.

Crawling on all fours in the shallows, her thong was visible through her soaked dress.

And her pert nips reacted to the bracing water.

The photographers got drenched as they made their way into the water with her, looking for the perfect shot.

Gaga's entourage did their best to shield her as they made their way onto the beach, but the singer's eye-catching costume made it impossible to miss her.

One fan said: "I'd like to lick her bumhole."

It's a big – or little – joke as penis size study ruined

A BOFFIN has been forced to abandon a study on the relationship between penis size and self-esteem after participants submitted images of cartoon characters rather than of their genitals.

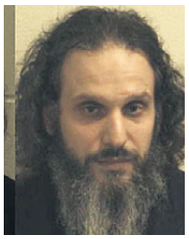
Alicia Walker, a sociology professor at Missouri State University, appealed for men over the age of 22 to complete an anonymous online survey, measure their penis, and submit a photo to verify its size.

But less than two weeks into the study, Walker realised that the responses were skewed and that some of them were jokes.

Some men even admitted to uploading cartoons such as SpongeBob SquarePants instead of pictures of their penises, "to throw the study's findings into jeopardy".

After abandoning the study, the professor said: "I've spoken to men who have been suicidal because of their anxiety and unhappiness with their size or perceived size.

"I can't tell you how many people submit measurements and believe they are average but they are above average."



Naked gym man's lewdness charge

A MAN who was caught naked in a Planet Fitness thought he'd get away with it because the gym advertises itself as a "judgement-free zone".

Eric Stagno, 34, of Massachusetts, was arrested at a gym in Plaistow, New Hampshire, after gymgoers allegedly caught him exercising in the nude.

Stagno *(above)* was in a "yoga-type pose" when cops arrived.

He said he "thought it was a judgement-free zone, referencing the gym's slogan."

Gymgoers reported feeling "sick," "unsafe" and "disgusted" by Stagno's actions.

Stagno was charged with indecent exposure, lewdness and disorderly conduct.

LAURA: MEN CAN'T HANDLE MY SEX DEMANDS

I CAN'T GET ENOUGH: Laura admits to having a raging libido

By WENDY THOMAS news@sundaysport.co.uk

***LOVE Island* beauty Laura Anderson is gearing up for the FINAL – but she'll be lucky to find a fella who can keep up with her INSATIABLE SEX demands.**

Laura, 29, who is best known to *Sport* readers as glamour girl Missy Love, has had a rollercoaster ride on the ITV2 show, which ends tomorrow night with one couple being crowned winners.

After being dumped by both Wes Nelson, 20, and Jack Fowler, 22, she's finally found romance with 31-year-old Paul Knops and the couple have grown closer in the closing weeks.

However, when they leave the villa he'll be hard-pressed to keep up with the busty blonde between the sheets as she confessed she's constantly horny.

Shattered

Laura said: "I can't go without, I'm a sex addict.

"Most men are over the moon at the beginning of a relationship, saying I'm everything they've ever dreamed of.

"But after a few months, they're simply too tired to carry on.

"I've even had fellas who tried to make excuses NOT to have sex with me because they're physically shattered."

And she quipped: "I just hope there's someone out there with a raging libido who can match me in the bedroom."

As well as having a sky-high sex drive, Laura loves experimenting in the bedroom and reckons her shagging skills are some of the best around.

Viewers have already seen Laura get frisky and bonk on telly with ex-partner Wes – and it seems she's got plenty of experience when it comes to getting jiggy.

Talking about her favourite sex position, Laura said: "I'd have to say doggy-style because you get really deep penetration, but I like them all.

"Going on top is good, as you're in control and they get a good look at your boobs!

"And in the morning, I like a good spoon. I enjoy spooning in front of a mirror, so I can see everything that is going on."

Scottish stunna Laura might like to get down and dirty but it's vital her fella is good at foreplay and she says she needs to orgasm before the main event.

Licking

And the beauty, who boasts a cracking 32E pair of norks, reckons her funbags are the key to getting her all fired up.

Laura said: "It's important for a man to be good at foreplay. I think it's rude if a guy doesn't get you off before you have sex.

"My breasts are really sensitive, so any bit of stroking or licking feels great. I could lie there for hours while my boyfriend touches me – and he doesn't complain either!

"I'd say I like a lot of foreplay so I have at least a couple of orgasms, then I like a good pounding to set me off again."

Monday night's final of the reality show comes after eight weeks of sun, sex and plenty of drama between the Islanders.

Despite Laura's turbulent time in the luxury Majorca mansion, she's become a fan favourite thanks to her sarcastic sense of humour.

However, she's unlikely to beat power couple Dani Dyer, 22, and Jack Fincham, 26, to the *Love Island* crown as they've been the bookies favourites to win since the start of the series.

Naked Louise video gets fans hot 'n' bothered

GORGEOUS Louise Redknapp has been dragged into a online MASTURBATION wrangle.

The 43-year-old posted a throwback video on her Instagram of a saucy clip taken from her 1996 single, Naked.

Former Eternal singer Louise can be seen dressed in a Britney-esque school girl outfit.

The singer captioned her post with: 'Busy couple of weeks rehearsing for my summer shows… and relearning this routine for Naked.'

Fans were quick to comment on her post.

One wrote: "I remember the video bringing the food court at Meadowhall to a complete standstill."

But another fan was less polite and leered: "I remember having a tug when I was younger after watching this video #stillgotit."

Last night a pal said: "Louise has just got divorced. If someone thinks this is an appropriate time to say they're masturbating over her pictures, they are just downright wrong."

Serial bus w*nker has ban tossed out

A MAN banned from buses for "habitual masturbation" has had the ban lifted – as it violates his "human rights"!

The unnamed perv, from the West Midlands, was sentenced to two years' probation after admitting 14 counts of outraging public decency by furiously masturbating while riding bus routes in the city.

As part of his probation, the 37-year-old – dubbed the Tipton Tosser at the height of his reign of terror – was banned from using any form of public transport in the United Kingdom.

But High Court judges have now agreed that the ban breaches his human rights on freedom of association.

His case will now return to Crown Court for resentencing.

HE'S A WINNER AND LOSER: Hereford shows off certificate but has since gone missing after attack

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS
news@sundaysport.co.uk

THE wretched practice of shoving voles up one's arse has been carried out for centuries – albeit discreetly – by perverts around the world.

But times change and, as we are expected to understand more and condemn less, antics that were once hidden from polite society are now tolerated and even celebrated.

Trophy.

And now, astonishingly, there is even an AWARD for getting the most live voles up your bottom.

The winner of the inaugural award was last night unveiled as Luton finance broker Paul Hereford.

Posing with a certificate and trophy given by the shadowy British Man-Vole Physical Appreciation Society, Hereford is pictured alongside a caption stating that he inserted SEVEN voles into his rectum.

The write-up continues: "Paul's magnificent feat was witnessed by three members of the British Man-Vole Physical Appreciation Society, as per the Society's Rules and Articles of Association."

Last night Hereford's home was a deserted, burned-out shell after an apparent arson attack by pro-vole extremists.

His current whereabouts are unknown.

Harrison Jones, chair of the European Vole Foundation, condemned the arson on Hereford's bungalow but added: "Voles across Europe are suffering terribly. Thanks to climate change, habitat loss and predation by mink.

"The last thing this creature needs is being shoved up some pervert's back passage."

Last night a legal source said that the vole is a protected species under the Wildlife and Countryside Act 1981.

We have passed a dossier to the relevant authorities.

TEACHER DENIES TEEN BLOWJOB IN CUPBOARD

A TEACHER accused of sucking off a teen student in a cupboard denied the allegations against her in court.

Jill Lamontagne *(left)* repeatedly told the jury she never kissed or had any sexual relations with the 17-year-old.

She also testified she never gave the lad her mobile phone number or social media accounts.

The defendant's husband, Steven Lamontagne, told prosecutors he trusts his wife and said she was a teacher trying to help a student.

The victim testified last week he and Lamontagne had oral sex in a closet in her portable classroom and at her home in West Kennebunk, Maine.

He also testified the two had briefly engaged in sexual intercourse during a second encounter at her home, but he told the jury they stopped when she said, 'We can't do this until you graduate'.

The case continues.

THE VOICE OF YOUR BRITAIN

Hose going to sort out pipe riots?

THE hosepipe ban, announced by United Utilities and set to come into force in a few days is, no doubt, well-intentioned.

Other newspapers may point out the ban is due to the shortcomings of bosses who prefer fat bonuses to providing a good service for their customers.

Others may claim it is an obscenity that using a hosepipe will be a criminal offence while fat cats lapping up cream from their monopolistic position escape any sanction.

Yet others may question how United Utilities can restrict water use – when they themselves daily lose a quarter of their supply through leakage.

Those are points that can be answered another day.

Today the clear and present danger is unrest caused by the black market in hosepipes.

Naturally, like all banned things – from heroin to the Frankie Goes to Hollywood hit Relax – demand for hosepipes will go through the roof.

We have seen hardware shops stripped clean of hosepipes as millions across the north west of England try to beat the ban.

This region cannot be far from fighting in the streets as water-squirting fans do battle over dwindling hosepipe supplies.

No garden shed will be safe, as gangs of foreign-born thieves go in search of the precious hosepipes.

Did the water authorities not foresee this consequence of their actions?

Could they not have predicted the chaos a hosepipe ban would cause?

This, along with rising prices and leaky pipes, is yet another reason to strip the water companies of their licence to print money.

Ban vole bums

IT is bad enough that human beings put voles up their backsides.

But it is near-intolerable that an official body exists to promote this wretched practice – and salute its notable adherents.

The British Man-Vole Physical Appreciation Society is a body that should not exist in a civilised society.

This newspaper has long championed the rights of sexual minorities – but people who insert live rodents into the back passages?

These people deserve no rights.

The deserve only to rot in the deepest dungeons.

Man's car insurance gender scam pays off

A MAN legally changed his gender – so he could get lower CAR INSURANCE!

The man, identified only as David, revealed his scam on the website Reddit.

He said: "I didn't feel like getting screwed over any more."

For more than three years, Alberta has been among several Canadian provinces in which residents can legally change the sex on their birth certificates without providing evidence of genital surgery.

David explained: "It was pretty simple. I just basically asked for it and told (the doctor) that I identify as a woman, or I'd like to identify as a woman, and he wrote me the letter I wanted.

"I am now a woman. I now pay $1,100 less for auto insurance. I won. The end."

LESBIAN TEACHER'S KINKY THREESOME WITH TEENAGE GIRL PUPILS

Court told that 'she begged to be rimmed'

By GRACE HOOPER
news@sundaysport.co.uk

A FEMALE teacher at a posh private school has been sentenced to almost five years in jail for sexually abusing two teenage girls over a period of 18 months.

The 35-year-old drama school teacher pleaded guilty to 33 child sex offences that were committed from 2015 to 2017.

The busty Miss, who cannot be identified, was reportedly 31 when the abuse started, while the girls were about 15 and 16 years old.

The sex offences were committed in both the teacher's home and in the home of the two students.

On one occasion, the teacher invited both girls back to her home after school and engaged in what was described in court as a "threesome".

The court was told that the kinky educator had one of the girls lick her vagina while begging the other one to "rim" her anus.

The court heard that the teacher even filmed the girls urinating.

The abuse was finally reported when one of the girls told a friend at the school, which also cannot be named for legal reasons.

Sadness

Judge Mark Herron said that the victims were 'vulnerable' and that there was an element of 'grooming' in the way the teacher took advantage of the young girls.

"You failed to recognise the boundaries that must remain between a teacher and student, you were in a position of power and authority over them," the judge told the woman.

The District Court in Perth, Western Australia, also heard the victims' statements, where they reportedly said that they felt 'a range of emotions' of anger, sadness and confusion.

Both girls said their mental health was greatly affected.

The woman's lawyer, Mark Andrews, told the District Court that she only wanted 'to advance the deep connection she had with the two complainants'.

However, he said she developed 'deep cognitive distortions'.

"Having believed she had formed a relationship with them, she did not pause and stay within the proper boundaries," he said.

Mr Andrews also said his client was 'deeply ashamed'.

"She wants me to apologise to each of the families for that gross breach of trust," he added.

Judge Herron sentenced the woman to four years and 11 months in prison.

CLAIRE'S ALL FIRED UP FOR SEX!

By WENDY THOMAS
news@sundaysport.co.uk

WITH an Italian mum and a French dad, it's no surprise that curvy Claire Andrisani is hot-blooded.

The beautiful brunette, 27, revels in her heritage – and loves to dress up as a French maid in the sack.

The 30FF babe said: "I'm half French so of course I have a French maid's outfit and I love to tickle and tease a guy with my feather duster!

"And I've got fiery Italian blood in me too – which makes me feisty and passionate in the bedroom."

Control

And she says she likes to be in charge of goings-on when the sex action starts.

Claire explained: "I like to be on top, for me that's a real turn-on.

"It's good to be in control and give the guy a good seeing-to.

"Plus, if I'm on top and in charge, it gives him a great view of my boobs!

She added: "I've been told I am a real goer and I'd like to think so!

"I'm very confident in the bedroom and I'm a very passionate person.

"I most definitely prefer a steamy, fiery romp to slow, sensual sex."

GOLDEN BROWN: Mystery woman deficates six feet down the street

POO BEAUTY!

Hunt is on for 'stunning' serial shitter

A SERIAL shitter described as "a stunning blonde" is being hunted by police.

And officers in Sydney, Australia, are "almost certain" that the mystery woman is a Brit.

Now, the for the first time, the antics of the woman that officers have nicknamed "The Shitty Fitty" have been caught on camera.

And the footage has amazed experts as the slightly-built women, who is carrying a heavy rucksack, manages to squirt out a jet of poo almost SIX FEET!

Sgt Bruce Delaney, of Sydney Community Policing Division, said: "This is an unusual and disgusting series of crimes.

By BRAD CHADWICK
news@sundaysport.co.uk

"It was only after the fifth report of public defecation that we realised the description of the suspect was similar in each case.

Jet

"Then we got the footage from behind Porter's liquor store and I can honestly say that in 25 years on the force, I've never seen the like.

"She bends over and –WAHEY! – it comes out like a jet from a fire hose. God knows what kind of pressure had been built up."

Sgt Delaney said that by looking at the woman's clothes, they are "87% sure" she is British.

Porters owner Jim Schwilk said: "Most people will find it somewhat amusing, while other people will be deeply offended by it.

"But we are very concerned about the mental wellbeing of the poopetrator, or perpetrator.

"I mean, who goes round shitting like that? It ain't right."

Insects make Swiss roll out the bombs

A VILLAGE under attack by BILLIONS of Asian millipedes may be evacuated and BOMBED to stop the wriggling creatures spreading.

Locals in Erstfeld, Switzerland, say they wake in the morning to find the bugs have crawled into their mouths, ears and even up their ARSES.

Vreny Cencig, an Erstfeld resident, wailed: "I can't stand it anymore. All I do is fight these insects. There is no end."

Now boffins have discovered that the millipedes could infect cows with milk dropsy.

A federal government insider said: "For Switzerland, the dairy industry is second only to the hiding-Nazi-gold-and-drug-money industry.

"We may have to evacuate this village and firebomb it to stop the bugs spreading."

THE CURSE OF DAD'S ARMY

IT'S now almost exactly 50 years since the strains of *Who Do You Think You Are Kidding, Mr Hitler?* announced the arrival of a comedy sensation on British TV.

Dad's Army, which ran for 80 episodes from 1968 to 1977, transformed our understanding of the Home Guard – our last line of defence against a Nazi invasion which, mercifully, never came.

Glorious

The series, written by David Croft and Jimmy Perry, gently portrayed our aged but lion-brave defenders as a slightly-potty rag-tag of old soldiers, shirkers, bossyboots, gripers and, most of all, heroes.

The enduring appeal of the show has amazed those who view our glorious past with a left-wing sneer.

Just last week, Ian Lavender, who played Private "Stupid Boy" Pike in the series, revealed his character's father was none other than suave Sgt Arthur Wilson – answering an enigma that has intrigued three generations of viewers.

By SIMON DEAN
simon@sundaysport.co.uk

After surviving cancer and a heart attack, Lavender, 72, was hit by a potentially deadly condition during a brief return to *EastEnders*.

He joined the soap in 2001 as Derek Harkinson, a gay friend of Pauline Fowler, and left in 2005 returning in 2016, only to succumb to sepsis.

Lavender said he would like to be in *EastEnders* again but after his sepsis diagnosis fears the show wouldn't be able to insure him.

His illness, and the fact he is one of only TWO *Dad's Army* survivors – the other being vicar Frank Williams – is taken by some as proof the show is CURSED.

Today, as the show prepares to celebrate its 50th anniversary, we examine the evidence for The Curse of *Dad's Army*...

RETURN S-PIKED: Ian Lavender's illness blocked *Enders* role

CAPTAIN GEORGE MAINWARING

THE pompous little bank manager turned would-be generalissimo of Walmington-on-Sea assumed command of the platoon at the outbreak of war, claiming to have held a commission at the end of World War I.

Much of the comedy of *Dad's Army* is based on the scrapes that Mainwaring lands his troops in through his own bluster and incompetence.

Mainwaring was played by actor Arthur Lowe, later known to millions around the world as the voice of the Mr Men.

Outwardly kind, Lowe was secretly spiteful and dedicated to acts of cruelty.

He was a member of the cricket team in his home village, Hayfield in the Peak District.

One night, under cover of darkness, he wrote the word, "COCKPISS" in the hallowed turf, then cruelly pinned the blame on a penniless family whose daughter had rebuffed Lowe's lecherous advances.

The family was banished from Hayfield and forced to live in nearby Chapel-en-le-Frith.

Lowe – a drunkard and heavy smoker – died in April 1982, aged just 66.

Was it karma...or the Curse of *Dad's Army*.

SERGEANT ARTHUR WILSON

WHERE Mainwaring was all heat and bluster, his second-in-command in the platoon and at the bank, Sgt Wilson, was cool, calm and collected.

The product of a private education, whereas Mainwaring was a chip-on-the-shoulder grammar school boy, Wilson's upper-class cool and reserve frequently pulled the platoon's iron from the fire.

On the surface, the actor who played Wilson was also the epitome of an English gent.

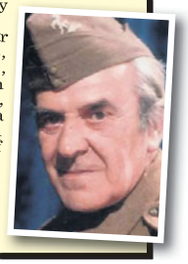
John Elton Le Mesurier Halliley, known professionally as John Le Mesurier, originally trained as a solicitor, had been a captain in the Royal Tank Regiment during the war but returned to his first love of acting when peace was restored. Beneath his polish, though, Le Mesurier was a shambles.

A raging drunkard, he once married *Carry On* fatty Hattie Jacques while on a bender.

A later wife ran off with comic Tony Hancock.

Le Mesurier died in 1983, aged a mere 71, from a stomach haemorrhage, brought on as a complication of cirrhosis of the liver.

The Curse had claimed yet another victim.



PRIVATE JAMES FRAZER

FRAZER was a dour, trouble-stirring, wild-eyed Scottish undertaker originally from the Isle of Barra in the Outer Hebrides.

Pessimistic and dark, his catchphrase was "we're doomed!"

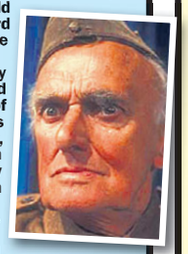
He was a Chief Petty Officer in the Royal Navy during the First World War and was a cook on board HMS Defiant during the Battle of Jutland.

Frazer was played by actor John Laurie, who had appeared in scores of feature films with directors such as Alfred Hitchcock, Michael Powell, and even Laurence Olivier, generally playing bit-parts rather than leading roles.

He was also a stage actor – particularly in Shakespearean roles – and a noted speaker of verse, especially of Robert Burns.

And like the Scottish Bard, Laurie was destined to die young.

But while Burns succumbed to a rheumatic heart condition aged 37, Laurie was to be-struck down by the Curse of *Dad's Army* – aged just 83.



PRIVATE CHARLES GODFREY

GODFREY was a gentle, mild-mannered and kindly old gentleman who, it emerged, had been a conscientious objector in the First World War.

The platoon was at first shocked but were later told by Godfrey's sister (the retired tailor lived with his sisters in Walmington-on-Sea) that, far from avoiding service, he earned the Military Medal during the Battle of the Somme, where he served with distinction as a stretcher bearer with the Royal Army Medical Corps.

Godfrey is possibly the most infirm member of the platoon and has a bladder which frequently leads to him being "excused".

He was played by Arnold Ridley, who himself had a distinguished record in the Great War.

He volunteered in 1914 but was at first rejected. In 1915 he was able to enlist as a private and saw active service, sustaining several serious injuries: his left hand was left virtually useless, his legs riddled with shrapnel, he was bayonetted in the groin, and the legacy of a blow to the head by a German soldier's rifle butt left him prone to blackouts. He was medically discharged with the rank of captain.

Ridley had survived everything the Kaiser's army could throw at him but he was defenceless against the Curse of *Dad's Army*.

In 1984, aged just 88, the brave soldier succumbed.

LANCE CORPORAL JACK JONES

THE Walmington-on-Sea butcher was a veteran of several colonial wars and the Great War and known to all for his bravery, which often crossed the border into recklessness.

His catchphrases "Don't panic" and "They don't like it up 'em" are still oft-repeated.

He was played by actor Clive Dunn. Although he always looked elderly, Dunn was only 48 when *Dad's Army* started.

After the end of the show, he appeared as village hall caretaker Charlie Quick in the comedy kids' show *Grandad*.

As the world entered a new millennium, it looked as though Clive Dunn had managed to dodge the Curse.

He moved to the Portuguese Algarve, where he spent his days painting.

But, as the saying goes, he could run but he could not hide.

In November 2012 the Curse wielded the scythe and Dunn died of complications after routine surgery at the tragically-young age of 92.

Cops on hunt for cockerel flinger

A NAKED man who threw a live COCKEREL into a lecture theatre before fleeing the scene remains at large.

A spokesman for the University of Otago in New Zealand said the man, clad only in what was described as a "sex mask", hurled the startled bird into a health science lecture on July 13.

The university spokesman added: "Campus Watch staff were notified immediately and came and put the rooster in a box. A staff member found a safe home for the rooster later that day."

But despite the unusual nature of the crime, cops have made no progress in finding the culprit.

A police source said: "We don't want to be known as the city where naked men hurl roosters around – especially not in a place of learning."

'He pounded me against the toilet wall'

GEORGIA DARBY, 28, 32F, FROM GUILDFORD, SURREY

MY friends and I have been going to Ayia Napa, Cyprus, every year since we were 18. We have a saying: 'What happens in Ayia Napa, stays in Ayia Napa'.

Except now I'm revealing all to the *Sunday Sport*!

Everyone is a bit wild out there so it's easy to get carried away. Though I think we are getting a reputation for going even crazier than everyone else!

We headed off last month, a group of four girls, and we were so excited – we'd been counting down the days since Christmas!

On the first day of our holiday, we wasted no time in getting slaughtered on tequila shots and we all took part in a wet t-shirt competition.

The girls always say I have to go one step further than everyone else and it was rude to disappoint them!

Once my white t-shirt was soaked through, I peeled it off and went topless, flaunting my 32F's on stage, and pulled off my shorts to show off my bum in my tiny thong.

I admit I loved the attention, all the fit lads were surrounding me whooping, cheering and slapping my arse.

One even dared me to take my knickers off – and I probably would have done but the DJ called the next girl on stage for her to have a go.

I don't think I have any inhibitions, or if I do they evaporate after a few shots or a few hours with my girls in the sunshine!

We couldn't even walk down the street without getting naughty. We got wolf-whistled by the lads we lapped it up, flashing our boobs and bums.

Then there's the boat party where everyone goes completely wild and there's enough alcohol that I'm still surprised the ship didn't sink!

We booked one that said bikinis and shorts were optional... so of course we ended up stripping off totally naked.

The DJ egged everyone on to get involved in X-rated games and, as the night went on, they got raunchier and raunchier.

There was a game involving a balloon – the guys lay down on the deck and the girls had to bounce up and down on it and burst it.

When you're already half naked and bouncing on some fella's cock, by that point it leaves little to the imagination.

Then I drank shots from some girl's cleavage and licked whipped cream from another girl's nipples, all the way down to her crotch.

When it came to playing a Twister-style sex position game I felt really turned on, especially when some hot Geordie lad grabbed me and pretended to shag me doggy-style!

But it was our last night in Ayia Napa that went really crazy.

I got carried away with a hottie I was snogging on the dance floor and he dragged me to the club toilets.

He lifted up my skirt and thrust his cock straight into my sopping hole, pounding me against the wall.

Knowing I'd just been ravaged by a fit bloke was the perfect way to end my holiday – I'm already counting down to next time!

'We got down and dirty on the balcony'

CHARLIE ROSE, 26, 34D FROM ISLINGTON, LONDON

I'VE just got back from a week away with two of my best pals, we went to Magaluf for the week and it was everything you expect it to be!

The papers over here try to tell you that the Magaluf police are clamping down on rowdy behaviour – but that's a load of tosh!

We went to a live sex show one night on the strip and when we came out, there was a free one happening right in front of us.

Two tourists had clearly got frisky in the club and had snuck down a back alley where they were going at it like the clappers, in full view of anyone who happened to look in their direction.

It did turn me on watching it though and my friend, Mel, had to drag me away.

When we got back to our apartment, I was feeling really horny. It didn't help I was sharing a bed with Mel, she's always bent both ways and I'd always wondered what she'd be like in bed.

We were all quite tipsy and Samantha, the other girl we were on holiday with, was flat out on the sofa as soon as we got in.

I tucked up in bed and Mel snuggled up next to me. She gave me a couple of pecks on the cheek and soon we were full-on kissing.

I'd never slept with a girl before but that night was amazing.

She went down on me and lapped my fanny like I've never had before.

How on earth we didn't wake Sam up I don't know, because we made a hell of a noise!

I'm one of those girls that gets incredibly horny on holiday. Maybe it's the sizzling hot weather or the sexy shirtless guys. I'm constantly craving sex abroad.

Fortunately for me, that night with Mel was just the start of things to come.

The following night I had a threesome with two fellas from the club.

I brought them back to the apartment and we got down and dirty on the balcony.

I was insatiable and I was loving it as they shagged me one after the other for what seemed an eternity.

Through the door, I could see Mel playing with herself as she watched their cocks plunge into me.

As soon as they'd spurted their loads, they disappeared out into the night for more partying and I went back to Mel – it was only fair I gave her a good tongue-lashing after she'd been so patient!

Between all three of us that holiday, we did it all – in the pool, on the beach, in the clubs, in the loo, threesomes – even a FOURSOME!

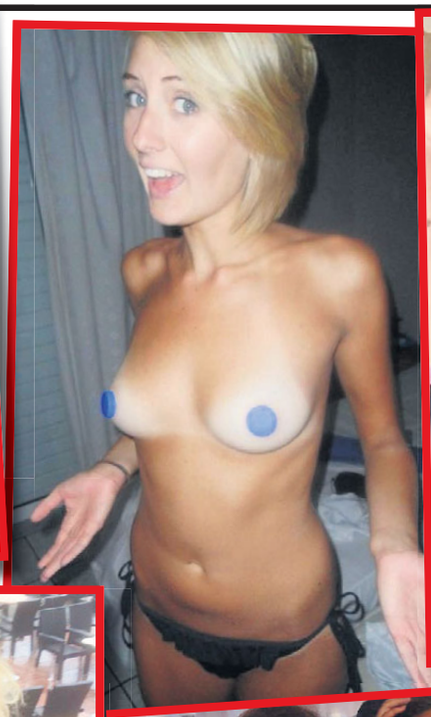
I always figure that it doesn't count if you're abroad, so why not enjoy yourself?

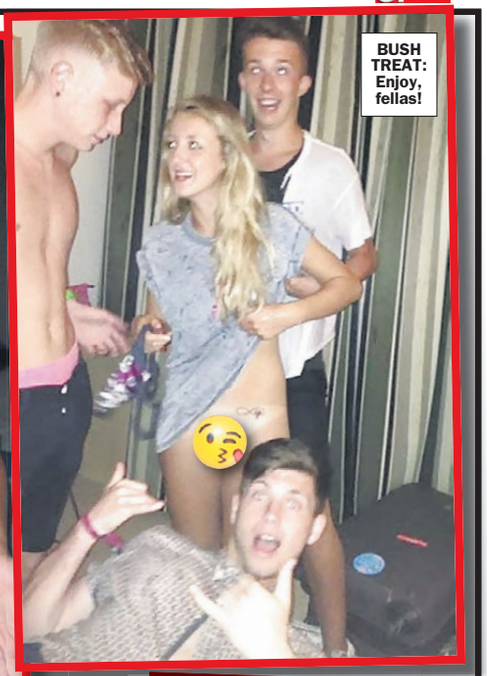
And what could be more erotic than lying in the sun and having mind-blowing sex with a perfect stranger?

Or in my case, lezzing off with your best friend?!

Sounds wonderful to me!"

CHEEKY: Good crack looking out to sea





BUSH TREAT: Enjoy, fellas!

BUSTIN' OUT: Blonde's cover-up trouble

PIZZA AND PISSED: Fallen babe

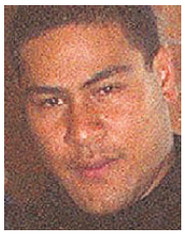
Female screw quits over sex with cop killer

A FEMALE screw has quit her job at a high security jail after it emerged she'd been having sex with an inmate who was locked up for killing a cop.

Amy Connors *(above)* was working at the Mid North Coast Correctional Centre in New South Wales, Australia, and was in a "sexual relationship" with Sione Penisini.

Penisini *(below)* was sentenced to 36 years in jail over the 2002 murder of Sydney police officer Glenn



McEnallay. He is considered an 'extreme high risk' inmate.

Penisini, who won't be eligible for parole until 2029, has now been moved to Goulburn Super Max jail.

Officer McEnallay's family has been left furious by the revelation.

It's not the first time a female guard has had a sexual relationship with an inmate at the Mid North Coast Correctional Centre.

In 2015, a different corrections officer was sacked over an affair with Kieran Loveridge, who is serving time for a coward-punch killing.

MP wants women to go knickerless

AN MP has said married women should not wear panties in bed.

Equalities minister Rose Museo argued that women who go to bed fully clothed they deny their "husbands conjugal rights, making them fall into temptations".

The Kenyan lawmaker further urged women to be the uniting factor in the family and to not neglect their spouse.

Museo said: "Part of the anger experienced among many Kenyans starts at the family level. When a man leaves the house unhappy, he cannot serve his country well.

"Be brave and treat your husbands well so that they leave their house for work happy men. That way, they will serve the nation well.

"When there's peace in Kenyan marriages, the society and country will be peaceful."

Meet the Spiced Girls

SMOKING HOT: Skanky, Smelly and Scrotey live off the booze and Spice in Manchester

REAL SPICE GIRLS: 90s supergroup

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

ZIG-a-zig...eurrgh!

Meet Manchester city centre's street-drinking girl group...known locally as the SPICED GIRLS!

Fired up on cheap cider and killer-death zombie drug Spice, the trio are entertaining shoppers and office workers with their unique blend of aggressive yelping, incoherent gibber and occasional splashy vomiting.

Demons

The three, known only as Skanky Spice, Smelly Spice and Scrotey Spice, formed two years ago and were originally a four-piece but the fourth member, Scummy Spice unfortunately drowned in a canal after being chased by her own demons.

One fan said: "After one of their concerts in Piccadilly Gardens two weeks ago, Skanky Spice came up to me and offered to suck me off for half a tin of Kestrel Super Strength.

Stardom

"It's that kind of interaction with the fans that is the mark of real stardom.

"I told her to f**k off, naturally."

The Spiced Girls will this week be appearing in court after a fight with Manchester vagrant boyband Take Crack.

FLASHERS, FATTIES AND WEIRDOS

City folk blast nude bike ride

By WENDY THOMAS
news@sundaysport.co.uk

A BACKLASH has started against nude cycle days, with participants being branded "flashers, exhibitionists and a whole bunch of weirdos".

Nude cycling days are now common up and down the country and are intended to highlight cycle safety and positive body image issues.

But a growing number of objectors claim the events are merely a magnet for perverts who want to show off their meat and two veg without getting arrested.

The rebellion was sparked by a letter to the Devon Live website from a lady identified only as Mrs Nicole.

Mrs Nicole, from Plymouth, said she was visiting Exeter when she and her friends were confronted by a nude bike ride.

She stormed: "We were absolutely amazed to see elderly men on bikes coming through the town naked. We found it disgusting to see this – who on earth wants to see wrinkly old men showing their 'bits'.

"If someone pulled down their pants they would be arrested. If you pee in the street you are fined – so who the hell in the council thought this was a good idea.

"Please explain."

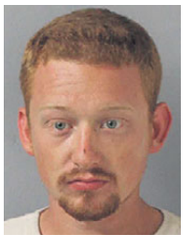
Her letter struck a chord with other locals who added their own comments to the website.

One wrote: "Public nudity is unnecessary and illegal as far as I'm aware. A whole bunch of weirdos getting their kit out in daylight in front of kids and the public is offensive and ugly.

"Cover it up you strange and ugly people."

Another stormed: "Perverted event that has nothing to do with cyclist safety, more an opportunity for weirdos to expose themselves without prosecution. Why they can't be prosecuted has not been explained ! Disgusting."

Another raged: "flashers, exhibitionists, fatties & wrinkly bits!!!! all of them well past their sell by date!!!"



Solvent sniffer's naked star jumps in McDonald's

A MAN sniffed solvents and then did naked star jumps in the ladies toilets of a McDonald's diner.

Brody Young, 25, was taken into custody in Nashville, Tennessee, on charges of criminal trespassing, public intoxication and public indecency.

Cops were called to the McDonald's after reports that a man wearing no clothing was locked in the women's toilets and refusing to leave, despite numerous attempts by management.

Officers found Young *(above)* naked and locked in a stall, where management said he had been "all day".

Police reported Young "was erratic", "doing jumping jacks and hitting the wall" and "smelled strongly of chemical fumes as if he had been huffing".

Court records show Young has prior charges for huffing, or inhaling solvents.

Late-night prowler spunked on windows

A WOMAN who found a sticky white mess on her patio doors was horrified to discover it was SPUNK left by a wanking late-night prowler.

The victim, identified only as Ellen, checked footage on the CCTV she had installed overlooking her rear patio area and found the midnight masturbator's antics had been caught on film.

Ellen, who now sleeps with a gun at her home in Denver, Colorado, said: "I done looked at that footage and says 'Oh my godfathers! He's looking through my curtains!'

"I done watched a bit longer and then saw he was self-polluting himself and his seed gone done spilled all over my windows, yessir.

"It's disgusting."

URINE TROUBLE!

DIRTY Joyce Chisale, 22, was sentenced to 12 months hard labour for secretly PISSING in her boss's coffee – after a WITCH DOCTOR assured her it would lead to a promotion in Lilongwe, Malawi.

Stars of hit new movie go TOPLESS

By SIMON DEAN
simon@sundaysport.co.uk

CAN you believe it, folks? *Mission Impossible: Fallout* is the SIXTH movie in the mega-franchise and pocket Scientologist Tom Cruise is still going strong after 22 YEARS.

The movie involves Tom, 56, playing super agent Ethan Hunt and jumping out of helicopters and stuff like that.

The usual, in fact.

The critics say this is the best *MI* movie yet and it looks set to cram them in at cinemas across Britain.

Daring

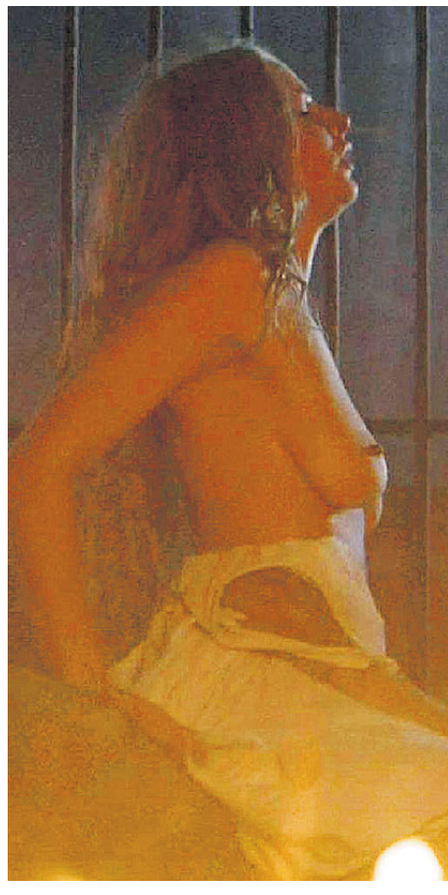
The first five films have made a cool $2.8BILLION and the latest flick looks set to add even more to the bank.

And unlike this summer's CGI-heavy turkey *Skyscraper*, MI:6 features lots and lots of good, old-fashioned stunts.

Tom Cruise himself broke an ankle while performing one daring leap himself.

But, enough of the movie review bullshit.

Here are the leading ladies in the film – all of them with their wonderful teats out.



OOBS!

Heifer humper: I choose cow sex to avoid AIDS

A MAN who was caught balls-deep in a COW said he resorted to bestiality over fears he'll catch the AIDS off women.

John Mwaura was given a sound beating by residents of Bahati in Kenya's Nakuru County when he was caught hanging out of the back of the heifer.

When his attackers threatened to kill him, Mwaura offered to give a piece of land to compensate for the harm caused to the animal and the sacrilege he committed.

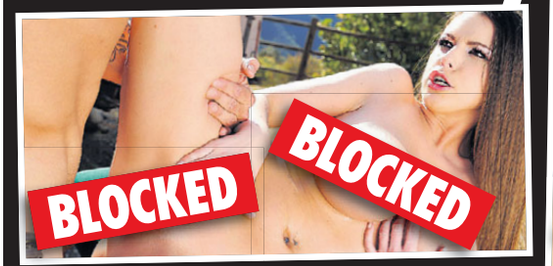
The 29-year-old *(above)* said: "Don't kill me. Let me surrender my piece of land to pay for the cow.

"I choose to have sex with cows because I fear girls may have HIV and will end up infecting me with it."

While the residents and owner of the cow were contemplating whether to lynch Mwaura, a police vehicle arrived and whisked the pervert to jail – and safety.

He'll be charged and faces 10 years in jail.

'Terminator' software will cover-up ALL net nudity



F**KED-UP FUTURE: What we will – and won't – see

TERROR FOR PORN FANS

Hasta la vista, porn!

EVERY nude image on the internet could soon be covered with a swimsuit – thanks to a computer programme developed by churchmen.

The system, built at a Catholic institute in Brazil, automatically seeks out lewd pictures and digitally adds swimwear to speed up the process of censoring images.

Rampant

It's feared that the system, which uses Terminator-style artificial intelligence, could leak out onto the internet and cover up the TRILLIONS of naked images on the world wide web.

The system was created by software engineers at the Pontifical Catholic University of Rio Grande do Sul, using 2,000 images of women.

Researchers first fed their system pictures of models in bikinis to teach it what the swimwear looks like.

It was then given photos of nude women to show it where bikinis should be placed on fully naked images.

But experts warned that once running rampant on the Net, the programme could undo more than 20 years of internet pornography.

Internet expert Robinson Harlow said: "If this software gets onto the wider web it may spread like a virus, covering up every nude image it finds.

"Within a few weeks we could be plunged back into the days of *Razzle* magazine and VHS grumble vids."

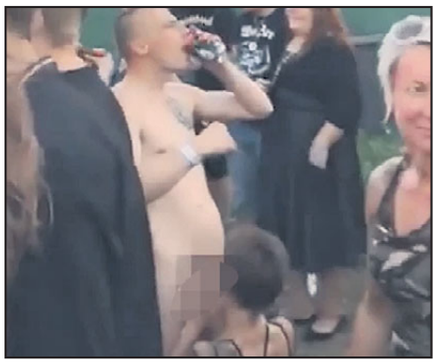
Festival had music, beer and blowjobs!



THIS is the bizarre moment a woman performed a sex act on a man at a music festival.

Shocking footage shows an intimate crowd enjoying a live performance before the camera pans over to reveal the odd scene.

A woman is seen in broad daylight appearing to give the man a blowjob as he swigs a drink.

The pair appear not to be fussed by the music fans around them, nor being filmed.

Some of the crowd can be seen staring at the camera and appearing confused about what is unfolding.

The video was shared on a music festival fan Facebook page.

PERV GOES ON HONEYMOON WITH HIS HORSE BRIDE

WHY OH WYOMING: Timpkins and Clarissa at specialist horse hotel

I'M READY TO RIDE: Timpkins claims that he enjoys regular sex romps with his equine love

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK

WYOMING – the 98,000 square-mile setting for bumming-cowboys movie *Brokeback Mountain*, slap bang in the middle of the United States and nestled against the Ricky Mountains – is the least-populous state in America.

It is also one of the few places on God's lovely earth where having sex with a HORSE is legal.

Indeed, it is even legal to MARRY your mount in the sparsely-peopled backwater.

Warped

That fact alone has made the state a Mecca for warped equine lovers such as Barnsley pervert Billy Timpkins. Timpkins spent £40,000 on transporting his horse Clarissa to Wyoming so that he could MARRY her in one of the state's three HORSE WEDDING CHAPELS.

Timpkins' extraordinary odyssey has been filmed by TV cameras and will be shown in the BBC later this year.

But *Sunday Sport* was there to witness the whole sordid saga.

Former tax inspector Timpkins, 56, said: "People say that Wyoming is backward and full of injuns and suchlike. Well, it's the only place broadminded enough for me to marry the woman I love.

"It's cost me a lot to get Clarissa here but this is not about money. It's about love and commitment."

Needless to say, Timpkins' children from his previous marriage refused to attend the unholy union and have broken off contact with their father.

The "wedding" was witnessed by two stable hands, before Timpkins and his bride headed for the adjacent "Man and Horse Hotel" for their "wedding night".

Timpkins leered: "Yes, of course we have a full and active sex life, especially now we are newlyweds."

Timpkins plans to spend three weeks' honeymoon in Wyoming before bringing Clarissa back to an undisclosed location in West Yorkshire.

Reprisals

Last night experts warned that the second Timpkins sets foot on British soil, he could be arrested for his crimes.

A leading prosecutor, who asked to remain anonymous for fear of reprisals, said: "Legal changes brought in to snare war criminals mean that if you commit crimes abroad, you can be prosecuted for them at home.

"And that, for sure, includes horse sex beasts."

'Yes, we have a full and active sex life'

10 things you might not know about BRITISH WEATHER

THE UK has been SCORCHED for weeks now – and the Met Office has even told us to stay indoors.

Many have ignored them and flocked to the beach, but there are a few who wish the usual rainy weather would return.

As it stands, the UK is set to bake for at least another five weeks meaning we're on course for our hottest summer EVER.

So as you sweat, here are 10 things you might not have known about our weather…

1 **IN December 1952, a toxic smog descended on London. The killer mix of smoke and fog stayed for five days, leading to the premature deaths of over 4,000 people. As a result the government introduced the Clean Air Act in Britain.**

2 THE great storm of 1953 was Britain's worse peacetime disaster, claiming the lives of 326 people.

3 **THE hottest period of weather occurred between June 23, 1976 and July 7, when for 15 consecutive days the temperature topped 32C (90F) every day at one or more stations in England.**

4 BRITAIN'S coldest winter in living memory lasted for three long months. It was so cold that even the sea froze over and on February 25, 1963, a record low of -21C was recorded.

5 **ON 156 days of the year, some rain falls somewhere in the UK and the average amount of yearly rainfall for the UK is 45 inches.**

6 THE highest ever temperature was 38.5C (101F), recorded in Faversham in Kent in August 2003.

7 **ENGLAND and Wales were hit by flooding during the wettest autumn for more than 200 years in 2000. North Yorkshire's River Ouse reached its highest level since 1625.**

8 IN 1987, a storm hit Britain causing around £1billion worth of damage and killing 18 people.

9 **IN August 2000, SPRATS rained on Great Yarmouth, Norfolk, due to a mini-tornado.**

10 THE Birmingham tornado of 2005 was one of the strongest recorded in the UK. There were no fatalities, but damage cost over £40million.

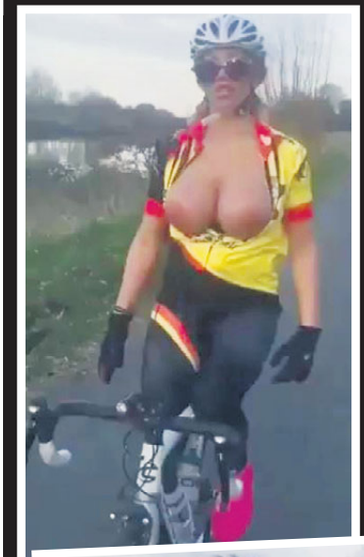
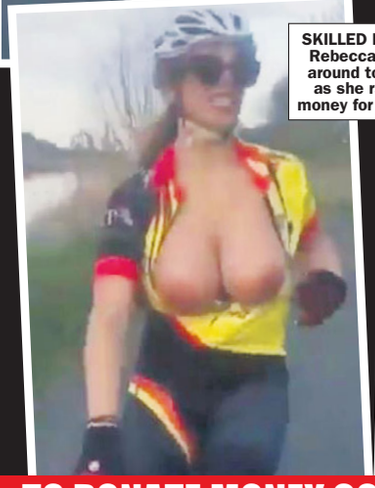
G-JIZZ: Porn Pedaller Rebecca catches a selfie with Tour star Geraint, who might not be aware of her skills in the saddle





SKILLED RIDER: Rebecca larks around topless as she raises money for charity

BRITISH cycling ace Geraint Thomas is having the ride of his life in this year's Tour de France and has spent the last week leading the pack in the big bike race.

But 'G', as he's known, 32, who last year became the first Welshman to wear the Tour's famed yellow jersey, is a mere novice at RIDING when you compare him to his new pal Rebecca More.

For the 39-year-old babe has been in the saddle in HUNDREDS of porn movies, and in one flick even took Brit hunk Danny D's 11-INCH dong up her puckered BUMHOLE!

Big-hearted Rebecca ran into Geraint on a recce of Stage 11 of the Tour with her charity cycling pals, the Porn Pedallers.

Sexual

The Pedallers, set up to raise money and awareness for the UK's leading HIV & sexual health charity, Terrence Higgins Trust, are a group pf bike-mad cycle nuts who happen to work in the adult industry.

And super-athletic 34F Rebecca is a keen member.

On their trip to France they crossed paths with the pro peloton, picking up the odd training tip and taking a few selfies with Geraint, Luke Rowe and Team Sky supremo Sir Dave Brailsford.

Rebecca said: "It was great to meet Geraint, he was a real gent and he's having an amazing Tour."

Without truth, we enter a new very Dark Age

IN Britain in 2018 you need special police protection and advice from anti-terrorist officers if you dare to speak the truth.

Chilling, isn't it?

Labour MP Sarah Champion, who condemned Asian child abuse gangs, has been given boosted security amid fears she is being targeted by Muslim and hard-left opponents.

Ms Champion received death threats after warning last year of "a problem with British Pakistani men raping and exploiting white girls" in her Rotherham constituency.

Her comments triggered a major backlash from far-left activists and Pakistani "community groups".

They accused her of "industrial-scale racism" for pointing out that the sexual predators had a common "ethnic heritage".

Swamp

BOLLOCKS! It wasn't racism.

She was speaking the pure, unvarnished TRUTH.

How the holy F**K did we get here?

Britain was one of the leading lights of the Enlightenment.

British thinkers and political campaigners were among those who dragged Europe from the swamp of religious dogma and established liberty, science and rational thought as the basis for society and government.

Now, large parts of our country are going backwards. Young girls are dragged overseas against their will to be forcibly married off.

White girls are routinely raped by gangs of paedophiles whose crimes are ignored ignored for the sake of "diversity".

Comedians – who poke fun at other religions – self-censor to avoid the murderous wrath of one particular faith's adherents.

This is certainly not the stuff of Enlightenment. This is our country plunging into a new Dark Age.

For centuries, Britain has been a successful melting pot. But, thanks to Labour's open-door migration policy and the failed cult of "multiculturalism", that pot is boiling over.

Stinking

It is insane that traditions from a faraway land locked in a long-ago time are allowed to flourish here.

And it is revolting that a woman like Sarah Champion, a member of the Mother of Parliaments, who has the bravery to stand up and tell the truth, needs protection from leftist thugs and religious nuts.

Here's the deal, that must be stated loud and clear: Britain is a modern, liberal society, where the rights of women and children are defended.

We uphold the rule of law, not the rule of religion. Our politics is, broadly-speaking, honest – not a stinking pit of bribery.

This is how we have liked it to be for generations.

If you don't like it, please do not try to change Britain – just f**k off somewhere else.

WE EACH-ENDED MY GRANNY AT RUBBER MASK FETISH ORGY

SEX PACT: Josh, Jonty and Ross vowed to keep deed secret

Lad's horror at sex mix-up

A WOULD-BE sex person has been put off kinkiness for LIFE after he and two pals bonked his GRAN at a rubber-mask orgy!

By BARNEY SAMUELS
news@sundaysport.co.uk

Jonty Malone persuaded pals Ross Green and Josh Marlow to visit SPLUTZ – a fetish-themed sex night at his local swingers' club in Keele, Staffs.

The trio – all 21 – bought fetish gear online and were ready for a night of no holes barred filth action at the club, a former car showroom. Jonty recalled: "It was all I'd ever hoped for. Ross and Josh took some persuading but I told them there'd be a load of dirty birds there and so they came.

"And, at first, we weren't disappointed. The moment we walked in there were birds feeling us dicks and saying rude stuff like 'Oooh, do us up the arsehole, duck' and stuff like that.

"We'd had a bit of Spice in the car park outside so we were all up for it."

SWINGER: Gran Ethel

SHOCK: Fetish women

The student said things took a turn for the perverted when a woman clad head to toe in rubber got onto the stage and indicated she wanted volunteers to fill "all three holes".

Jonty said: "We climbed on stage. There were three holes in this woman's suit – one for the mouth and one each for the front and back bottom."

Sucked

Jonty began to cry as he described how he and Ross filled the "lower holes" while the woman sucked off Josh.

He said: "It was only once we had finished and Josh had pulled his cock out of her mouth that the woman said 'I've not been f**ked like that since our Arthur's brothers did me.

"It was my gran's voice! Arthur was my late grandad. I felt sick.

"Obviously, Gran had no idea it was me as I had my mask on but I turned and fled."

Jonty said he and his pals left the club and vowed never to speak of it again.

But he added: "I had to speak out in *Sunday Sport* to warn people that while these fetish clubs may look all fine and that but you could end up shagging your own gran. Up the ruddy arse, of all things."

Last night Jonty's gran Ethel, 77, who lives in sheltered housing in Hanley said: "Well, boys will be boys."

AFTER MAKERS LOSE 16-YEAR LEGAL BATTLE...

Is Kit Kat STILL the best wafer biscuit to shove up your arse?

REAR-LY PLEASED: Rod's an expert on bum deals

SUNDAY Sport CONSUMER TEST

IT'S been a big week in the world of confectionary litigation....

The European Court of Justice has thrown out an appeal by Kit Kat's maker, Nestlé, which argued that it owns the shape of the teatime treat.

Nestlé has spent SIXTEEN YEARS fighting to trademark the four-fingered wafer shape – something that rivals had fought hard against.

Battle

In 2002, the global chocolate giant applied for a trademark in Europe for Kit Kat and also for the shape of the bar, described in court as "four trapezoidal bars aligned on a rectangular base".

That upset the makers of Kvikk Lunsj – a Norwegian bar that's the same shape as a Kit Kat – and a court battle ensued.

Now, after lawyers have made millions from the case, we have a decision.

SUNDAY SPORT EXCLUSIVE
By ROD COLLINS
CONSUMER CHAMPION

Nestle cannot trademark the Kit Kat shape and so expect a host of four-finger snacks to hit the shelves.

But there's one question the court has NOT answered...

Which is the best multi-fingered wafer to shove up your ARSE?

Several retailers already market a moody version of the two-fingered Kit Kat, so we asked *Sunday Sport* consumer advisor ROD COLLINS to check them out for anal ease.

Kit Kat 4/4

ROD says: Kit Kat invented the multi-fingered wafer biscuit back in 1935 so, naturally, they have the most experience.

I managed four fingers of a Kit Kat up my arse easily. They were a joy to insert.

Of course, the whole experience was better when you had the foil and paper wrapping rather than this plastic nonsense, but that does not really affect how the fingers go up your arse.

To sum up: Second to none.

Asda Snaps 3/4

ASDA'S contender gave me a pleasant surprise. Asda has never been my favourite supermarket but I might start going more often after this strong performance.

If anything, they were even easier to get up my back bottom than the Kit Kat.

But they were let down at the last minute by structural integrity.

That fourth finger crumbled like an Albanian saloon in a pile-up when I tried to put it up my nispsy.

Tesco Free From Belgian Chocolate Wafers 2/4

OH dear! If Tesco want to maintain their stranglehold on the UK supermarket business – especially with the Sainsbury's/Asda tie-up in the pipeline – they're going to need to improve this product.

To only get two of a possible four fingers up my arse is very poor indeed – especially as this was from Tesco's premium Free From range.

The chocolate was also the most melty of those tested, and even getting the second finger up my jacksie was a struggle as my fingers were slick with melted chocolate.

Lidl Choco Break 4/4

LIDL are known for high, high quality at low, low prices – and I found just that with their Choco Break Kit Kat rip off.

Four fingers slid into my bumhole without a crumb being lost. The structural integrity of those fingers was a thing to behold.

As an experience, it was almost up there with the Kit Kat but the original brand just nosed ahead thanks to what I perceived a finer smoothness to the chocolate.

Still, for the price, you would never go far wrong sticking four fingers of Choco Break up your arse. I'd recommend it to friends or any members of my family.

EDITOR'S NOTE: As part of *Sunday Sport's* All In This Together 2018 Charity Drive, the bars used for this test were afterwards donated to local orphanages.

MY FIRST TIME...

THEY always say you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and sharing the spicy details of some other first-times, too!

Here we continue with two saucy stunnas from east Manchester...

FIRST HANDJOB

SOLARI: My first handjob was given underneath a bridge near where I live. I'd been drinking cider with my boyfriend. I was feeling horny and adventurous so I initiated things.

Instinct kicked in and I knew what to do but it felt a bit wrong, if I'm honest and after a short while I stopped so he didn't get to climax. I can't see the point in giving handjobs if you get nothing out of it.

NICOLE: I was on my boyfriend's bed one evening and we started kissing and he asked me if I'd wank him off.

I was eager to please him so agreed to have a bash at it. It seemed quite easy and I knew it wasn't going to take long to make him come.

He didn't reach the two minute mark and then shot his load all over the wall which was about three feet away, I couldn't believe how far it went.

FIRST BLOWJOB

SOLARI: I was watching a film with my boyfriend the first time I gave my first blowjob.

We'd been seeing each other quite a while by then and when I realised he had a hard-on I just went for it.

I didn't have a clue what I was doing but I must have been doing it right. He came in about five minutes and it seemed like he was never going to stop coming, I had a mouthful.

NICOLE: I was watching *Top Gear* with my boyfriend the first time I gave a blowjob. I was bored so decided to distract him from the telly by going down on him.

I didn't really know what I was doing and I just did what came naturally. It took no time at all and I swallowed it all as well because it seemed rude to spit.

FIRST SEX

SOLARI: I really enjoyed the first time I had full sex. I was16 and did it with my boyfriend in his house.

We'd been going out long enough and I just knew that he was the one I wanted to do it with. We'd had a day out, went up to his room and it just happened.

He just took control. It lasted about 10 minutes but I loved every second of it, it was gentle and really sensual.

NICOLE: I planned my first time three days before I did it. We were both virgins and were both really keen to lose that label.

We did it in his room when his parents were out shopping and it was absolutely awful. It hurt a lot and we were both really awkward about it.

It lasted all of about three minutes, including his 'foreplay' and him coming almost before he'd put it in. I was gutted I'd waited so long for something so crap.

FIRST HUGE WILLY

SOLARI: A couple of years ago I had a shag buddy and his willy was massive! I'd never had a big one before and even when his friends joked about him having a big one I never imagined it would be a 10-incher.

I was really excited when I first saw it and wanted to try it out. It was too big when we got down to it though and it hurt a bit, it was so big he couldn't really control it either. Willies can definitely be too big.

NICOLE: My first big one was when I was 18. I was on holiday and had a fling with a guy whose willy was the size of a bloody Christmas cracker!

I admit I was a little bit scared when I saw it because I never thought it would fit in me. It took ages to get it in and it hurt a bit at first but after that it was good.

I must admit I've had better sex with smaller ones though, size really isn't all that important. It's a cliche I know and men don't believe it but it's the all-round sex that counts, especially foreplay.

FIRST TIME FANTASY

SOLARI: I lived out my fantasy a few years ago when I had sex on my boyfriend's car bonnet. It was late at night and we'd been to the cinema. We'd talked about doing it for months but never had the bottle, so that night I told him to pull over in a quiet lane and we just did it.

It was absolutely brilliant sex, we were both really turned on knowing someone might catch us at any moment.

NICOLE: Last year I lived out my fantasy when I pulled my boyfriend into the bogs of a nightclub and started having sex with him. He had no idea I'd planned it and he couldn't believe his luck.

Loads of girls came in and saw us at it but none of them did or said anything – most just laughed and said things like 'go for it, girl'! God I was horny that night!.

"He bought me some peep-hole undies for my birthday – more like his birthday!"

FIRST BUM FUN

SOLARI: I gave anal a go when I was as young as 17. My boyfriend really wanted to try it and I was in love with him so agreed to see what it was like.

I wasn't too keen at first, it wasn't very comfortable and just felt a bit strange. It didn't hurt like I thought it would, though.

I've done it since and would do it again, I don't get much out of it, it's just a treat for my boyfriend.

NICOLE: My first experience of anal sex was when I was 18. My boyfriend went on about doing it for ages and in the end he wore me down and I said I'd do it.

I don't want to go into too much detail but it took a long time and ended up being a bit messy. I've done it a lot since and it's been much better – and it feels really animalistic.

FIRST OUTDOOR SEX

SOLARI: The first time I did it in broad daylight outside was in my local park. We'd been out for a lunchtime meal and a drink at a pub on the edge of the country and we were walking home.

We sat for a rest on a bench under some trees and started snogging and next thing I was on my back and we were having sex. I didn't like it that much because it was bloody freezing!

The only good thing was the knowing someone might catch us and that was definitely a turn-on for us.

NICOLE: I didn't do it outside until I was 17,we did it in a field near my boyfriend's house after a night out.

We knew we couldn't have sex at either of our houses because our parents were home so the field seemed the best option.

It was really exciting but the grass made my back really itchy and that kind of spoilt it for me. Doing it in strange places like that is always fun, it spices things up.

FIRST TIME DRESSING UP

SOLARI: My boyfriend bought me some naughty peep-hole underwear for my birthday – which was more like a present for him!

It was the first time I'd ever worn stuff like that or dressed up to have sex. I liked it, it made me feel really sexy and a bit naughty too.

The foreplay was out of this world and I had an orgasm before we got to have sex. The resulting shag was out of this world, I had a big smile on my face for about a week.

NICOLE: I turned up at my boyfriend's house for his 18th birthday wearing nothing but a big silk red bow under my coat – you know the things, they were popular a few years back – then I told him to unwrap me!

I'd never seen him turned-on! By the time he'd unwrapped me we were both absolutely gagging for it and wasted no time in getting down to having sex. It was great fun and very erotic.

ANGELIC EMMA'S A DEVIL IN BED!

By WENDY THOMAS
news@sundaysport.co.uk

SHE might look all innocent in her white sheet but angelic Emma Louise has got a kinky side.

Because the hot 30G babe loves whips and leather – leading one ex-boyfriend to dub her "the kinkiest girl he'd ever met."

Emma, 27, said: "I am definitely one for some spanking and I'm no stranger to slipping into the highest heels you can imagine and cracking my leather whip!"

Seeing-to

And the Essex-born beauty can be horny at any time of day, too.

She said: "As soon as I open my eyes I'm gagging for a good seeing-to."

Emma added: "I always have that urge to flash my boobs."

Which, of course, is a career plus when you're a glamour babe!

SUNDAY Sport LEGENDS OF PORN

PART 14 GIANNA MICHAELS

TOP JOB: Gianna show the talents that made her a porn megastar

By PENNY MARSHALL
news@sundaysport.co.uk

BUSTY Gianna Michaels' first job was working at a hamburger joint in Seattle called Dick's, appropriately enough.

In 2001, she moved to California and started as a receptionist.

Over time, some people approached her about modelling and eventually this led to porn.

She first became a megastar thanks to the Bangbus and Bang Bros sites, and as well as her internet work, appeared in 86 XXX DVDs.

Voracious

The 38F babe performs with both guys and girls, engaging in one-on-one, interracial, group sex, and shows what critics call "a voracious sexual appetite onscreen".

But she's only done ONE anal scene, in 2009.

There were rumours that Gianna, now 35, had retired from the business but she confirmed on her Twitter page that she was just "taking a break".

Gianna had a small part in the 2010 mainstream horror movie *Piranha 3D*, which also featured Brit beauty Kelly Brook.

TODAY

MONDAY

***Panorama*: Get Rich or Die Young – BBC1, 8.30pm**

LIFE expectancy in Britain varies dramatically depending upon where people live, with the rich living longer than the poor.

Reporter Richard Bilton visits Stockton-on-Tees in Co Durham, the town with the country's worst health inequality, to investigate why people in the town centre can only expect to live to 71, while their wealthier neighbours a couple of miles away will live an average of 14 years longer.

The conclusion is that if you live in a slum, you're more likely to die young than someone who lives in a palace.

We'll file that under: "Well, Fk Me!" shall we?**

Repackage holiday for C5 fellas

***The Bermuda Triangle Enigma: Fallen From The Sky* – C5, 9pm**

C5 do this sort of stuff brilliantly. Take a story that people have known about for years, repackage it and bung it out to the slavering masses.

Rick Edwards and Ortis Deley explore strange events in the Bermuda Triangle, beginning with mysteries involving the skies above the region. Ortis visits Florida to try to find out what happened to five naval aircraft lost without a trace in 1945, while Rick dives beneath the waters off Bermuda to the remains of a US air force plane that crashed in 1963.

OF THE TELLY

By BARNEY SAMUELS

Vive les Brits on Tour finale

Tour De France Live – ITV, 3pm

COVERAGE of the 21st and final stage of the prestigious race, which sees the riders go on a processional 72-mile journey from Houilles to the Champs-Elysees in Paris, where the Frog hordes will be gathering to boo in, hopefully, yet another British winner.

With luck they'd have swept up all the broken glass left by the rioting that took place in central Paris after France won the World Cup.

Presented by Gary Imlach, with commentary by Ned Boulting and David Millar, analysis from Chris Boardman, and reports by Daniel Friebe and Matthew Rendell.

Travels in Trumpland with Ed Balls – BBC2, 9pm

NEW series. The former MP – who's becoming Labour's answer to Michael Portillo – explores America's Deep South to meet the people who voted Donald Trump into power and discover their motivations for supporting him.

In the first episode, he visits a festival celebrating Southern culture in Texas and travels south to the controversial border with Mexico, where he witnesses an illegal immigrant being arrested.

Remember that Ed's missus, Yvette Cooper, promised to house desperate refugees. Wonder what ever happened to that promise?

Carry on Forever – ITV, 10.20pm

A REPEAT but it's always a joy to watch *Carry On...* clips.

Martin Clunes narrates the story of the iconic comedy films, featuring interviews with the stars, rare behind-the-scenes footage and on-set publicity photos.

The first episode looks at the origins of the franchise at Pinewood Studios and reveals how producer Peter Rogers and director Gerald Thomas accidentally stumbled on a hit formula.

With contributions by Shirley Eaton, Liz Fraser, Rosalind Knight, Bernard Cribbins and Juliet Mills.

TUESDAY

Inside the Factory – BBC2, 8pm

I HATE to admit it, but I really like this show. I got hooked by the one at the cake factory and it's really quite interesting.

This is one episode I'll be watching because it's about sausages – perhaps the most perfect culinary creation in the history of humankind.

Gregg Wallace explores the North Yorkshire factory that produces 625,000 sausages a day, and Cherry Healey is at the University of Chester, getting the scientific lowdown on the best bangers.

Plus, Ruth Goodman investigates how a German bratwurst became so popular in America.

Age Before Beauty – BBC1, 9pm

NEW series. When Bel and Wesley's kids go off to university, best mate Teddy – who is in love with Bel despite being married to her sister, Leanne – puts in motion a plan to break up their marriage.

Drama written and created by *Poldark*'s Debbie Horsfield, so it should be worth a watch.

Starring Polly Walker, James Murray and they've managed to drag Robson Green away from his fishing and wandering-about-in-Northumberland programmes, too.

DON'T MISS THIS!!!

The Prosecutors – Thursday, BBC2, 9pm

FIRST of two documentaries following Eran Cutliffe of the Crown Prosecution Service as she works alongside the police on two very different cases.

Drugs can fetch up to four times their street value in prisons. But to prosecute the offenders, cops need evidence of who is involved on the inside – and who is sending the packages in.

Here, Eran and the officers of West Mercia Police build a case against one gang who are using drones to fly drugs into prisons.

My perfect Sunday...

Natasha Marley, 31, 32D, from Aldershot

BUSTY Natasha Marley likes to catch up with two things on the Sabbath – sex and sleep!

The 32D beauty, who's from Aldershot, Hants, said: "During the week I'm up and down the country doing photoshoots, video shoots or promotional work.

Tired

"There are a lot of hotels and I never sleep really well if I'm not in my own bed.

"Come the weekend, I'm often totally washed out – but not too tired for sex!"

Natasha added: "A man who brings me a cuppa and a bacon sandwich on a Sunday morning gets rewarded, if you know what I mean.

"And he gets another reward later if he lets me go back to sleep.

"That's why I love Sundays. Sex and sleep.

"And I like a Sunday roast, too. With lashings of gravy. I love gravy, me."

SUNDAY Sport SUNDAY STUNNA

Klaudia's awash with dirty talk!

SHOWERS your big, soapy knockers, Klaudia!

The 25-year-old beauty from Miskolc, Hungary, was dripping when she popped into *Sunday Sport's* washrooms for this saucy shoot.

And the 32E stunna didn't let a thing like the language barrier get in the way.

By WENDY THOMAS
news@sundaysport.co.uk

After she towelled herself down, Klaudia pulled out her English-Hungarian phrasebook and told us: "I like it up the arse – bumpy, bumpy."

She added: "Where is the railway station, please? Would you like to spunk on my tits – I taste your cock."

We're not sure where she got her phrasebook but it sounds like it should be a bestseller.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

THERE's a barmaid at my local who I've wanted to bone for ages. She's 19, blonde, with lovely 36DD tits and puts it about a bit.

A couple of weeks ago I offered her a lift home after last orders. I could hardly believe my luck when she invited me into her flat.

As soon as we got there she had her tits out and my cock in her gob. Then she led me to her bedroom and told me to take her from behind.

She was loving it as I pounded away and it wasn't long before I spunked. I shagged her again and was just about to leave when she asked me for £30.

She says I can shag her any time I want for £30. I'm now 63 and divorced and reckon it might be the best offer I'm likely to get.

What do you think I should do?

MH, Manchester

Kelly says...
TRY knocking her down to £25.

Dear Kelly,

MY wife and I have been together for 10 years and happily married for five of those.

I couldn't believe my luck as she is so sexy and, not only that, she loves having sex all the time.

We are both quite kinky and we've tried just about every position you can think of – including bum sex which my wife loves.

The other day we were watching some porn which featured a girl using anal beads on a man. Now my wife wants to use them on me.

She has used her fingers on me before, which I quite enjoyed, although I didn't like admitting it.

But I really don't know if I would like these. What do you think?

RH, east London

Kelly says...
BE 100 per cent sure you're ready to do it before giving it a go.

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY MCGREGOR has been reading through your letters and emails. Here's her advice...

Train driver's pal shot into my love tunnel

Dear Kelly,

I'M 23 and I have been engaged to a train driver for two years.

He's seven years older than me but he doesn't act it. In fact, if you didn't know he was 30, you'd say he was a teenager.

He's quite hunky and always laughing and joking. He's also great in bed and we make love at least twice a night – EVERY night.

But recently things have changed and I'm getting worried about him.

It all started when we went to Rhodes with another couple at the beginning of May.

Because we didn't book together we were in separate apartment blocks about a mile apart.

On the first night we all got blitzed and the other couple decided to crash out at our place.

At about 5am I was awoken by the sound of creaking bedsprings.

I saw the other guy shagging his girl. I was highly turned on by what I was seeing – especially when I saw the size of his cock.

Just then my guy woke up and shouted: "F**king hell, pal, give her one for me!"

Both blokes began laughing. My fella asked me if I fancied a jump and I said yes and soon he was thrusting deep inside me.

After we'd both climaxed he called to his mate and asked if he was up for a swap and his chum nodded.

So I went over to the other bed while his girl joined my man on ours and I had the most incredible shag.

He was so good at it that he brought me to three climaxes before he came himself.

Shirty

I made the mistake of telling my fella later in the day how good a f**k his pal was and we never did any more swapping during the holiday.

And since we've been back my fella has gone off the rails completely and is getting pissed almost every night.

I've asked him why he does it, but he gets all shirty and refuses to tell me.

Any advice?

MS, Hull

Kelly says...

IF a good blowjob doesn't fix it, you're in trouble.

Dear Kelly,

I'M married to a dried-up old trout. She was quite a looker, but since we got wed she has put on so much weight that I have no end of trouble getting my todger up her.

I keep a small stock of girly mags in the garden shed and often go out there and have one off the wrist.

But the other day the wife caught me at it and went mental and called me a perv.

What do you think?

AE, Birmingham

Kelly says...

TALK it over. She might surprise you and shape up.

Kelly says...

THE hot weather makes everyone randier thanks to a surge in Vitamin D, or something.

Just make sure that, in the heat, whatever you're doing, you keep well hydrated.

Oh, and check on old people in case they've had a fall or have been stung by a hornet.

But that's all for Donald to sort out. What we really care about is Stormy.

Britney

By SIMON DEAN
simon@sundaysport.co.uk

BIGGER is ALWAYS better – just ask busty stunna Britney.

The sizzling blonde boasts a gigantic pair of 38D sweater-stretchers and admits she couldn't think of anything worse than having small boobs.

The 31-year-old babe said her babies are a "blessing from above" and uses them to mesmerise men so she can have her wicked way with them.

And judging by these steamy snaps, it isn't hard to see why so many lads come flocking to the top-heavy Cardiff cracker.

She said: "Having big boobs is a huge blessing in my eyes. They come with so many naughty little perks.

Naughty

"They get super sensitive as well, so I love having them messed with. I have such a bad habit of playing with them and not even realising it until one of my mates says something.

"And if you buy me a drink on a night out there's a chance that I might even let you take this heavy load off my hands!"

HARD WORK: Klopp

Klopp: My Reds won't blow leads this season

JURGEN Klopp says he knows how Liverpool can win the title this season — by not blowing so many leads.

The Reds lost winning positions seven times in the Premier League last season.

Not only did that cost them vital points but also the momentum that stringing wins together brings.

Klopp said: "I read somewhere a statistic that we had seven games when we lead and then, in the end, it was a draw.

"In my little mathematic brain, that is 14 points.

"Put them on our score and we are not 25 points away from Manchester City — we are 11."

It has been noticeable so far this summer that Klopp has brought players with good engines to the club.

He clearly wants more options in midfield where most of the legwork is done.

He now has Fabinho, Naby Keita, James Milner, Gini Wijnaldum, Jordan Henderson, Adam Lallana and the crocked Alex Oxlade-Chamberlain who can play in the engine room.

There's also talk of moving Trent Alexander-Arnold up from full-back as he gains more experience.

Dream

Klopp believes that it's effort that wins titles as much as classy players.

He said: "I am not a dreamer, I don't dream that we can be there.

"It's okay that the people are doing that, but we have to build a ground for these dreams.

"We need to be there and we need to play the football and football is 80% of the season the hardest work — if not 90%.

"The 10% and 20% is the moment — bang, bang, bang — when you go through and win 5-0."

Klopp also has a lot of goalkeepers on his books and Barcelona are surprise suitors of Simon Mignolet.

The Belgian has been frozen out at Anfield and is now third choice behind new arrival Alisson and even calamity keeper Loris Karius.

The 30-year-old has caught the eye of the Catalans but he would be there as back-up to Marc-Andre Ter Stegen rather than No1.

That could mean he decides to sign for Turkish side Beskitas who have made him their first choice between the sticks.

TOON & GLOOM FOR BENITEZ

We could go down says Mags chief

RAFA Benitez is warning the Toon Army to brace themselves for a relegation fight this season—because Mike Ashley won't spend on new players.

The Spaniard is sitting on the sidelines watching as "smaller" clubs like Fulham, Cardiff and Wolves build their squads this summer. And the likes of Huddersfield and Brighton have had their wallet out as they try to build on successful first Premier League campaigns.

BY ANDY MILLOM

But his hands are tied because owner Ashley is not keen to splash the cash while Benitez is in the final year of his contract — and the club is up for sale.

The gaffer worked wonders last season and has become a hero on Tyneside as he steered the Toon well away from trouble.

But it's clear that the St James's Park squad lacks strength in depth and needs major investment to avoid flirting with the dreaded drop.

Crucial

But, with time running out before the window shuts in a fortnight, there has been limited movement so far.

Benitez is clearly trying to change that.

He said: "Everybody is expecting that you will improve the team and improve the squad.

"All the Premier League teams are spending big money, and they know how important it is.

"I said last year, and I am saying this year again, that when you are talking about so much money from the TV, it is crucial to stay in the Premier League if you want to compete.

"If you go down, the next year is even more difficult because the difference in money is massive.

"Hopefully, we can do well in the next weeks and we can improve the squad enough to at least be competitive next year."

So far, Benitez has been shopping in football's equivalent of Lidl and has just secured the services of Fabian Schar for £3m and he's trying to get Japan striker Yoshinori Muto.

He wants Salomon Rondon from West Brom but they want Dwight Gayle in return and he's not keen on a return to the Championship.

There are problems in defence where there are only three experienced full-backs at the club in Paul Dummett, DeAndre Yedlin and Javier Manquillo.

Benitez wants Bristol City's Joe Bryan who can play in either position but can't meet the paltry £8m the Robins are holding out for — which shows how tight things are at the Toon.

WON'T GO: Gayle isn't keen on West Brom move

HIGUAIN SNUBS BRIDGE BID

By MARK NAYLOR

GONZALO Higuain has upset Chelsea boss Maurizio Sarri by decided on a move to AC Milan rather than Stamford Bridge.

The Argie striker was thought to be close to the Blues gaffer after working under him at Napoli.

He set a Serie A scoring record that earned him a big-money move to Juventus.

Now the Turin giants have shelled out big biscuits for Cristiano Ronaldo, they want to move the 30-year-old on to bring in some much-needed cash.

Juventus general manager Beppe Marotta is dropping big hints about Higuain moving on.

He said: "Milan or Chelsea? No official offers have arrived.

"I feel that the arrival of Ronaldo has created an attack of good quality but also of quantity.

"We will evaluate Higuain's future with those affected.

"He's an important player for us but we're talking to him and trying to decide what's the best solution for everyone."

AC could decided that £50m for a player of Higuain's age is too much and instead turn their attentions to Chelsea's Alvaro Morata.

He had two good seasons with Juventus while on loan from Real Madrid and would jump at the chance of returning to Serie A after enduring a poor season in the Premier League.

Milan general manager Leonardo is keeping his cards close to his chest about comings and goings this summer.

He said: "Higuain or Morata? I don't think it will be possible to make big signings in this transfer window.

"Huge wages are going to affect us, so it will be more difficult to get these big names."

Arsenal hold all aces in Dembele Gunfight

BARCELONA WILLING TO SELL STARLET TO BALANCE BOOKS

ARSENAL are in pole position to pip Liverpool to the signature of Barcelona's Ousmane Dembele.

By JOHN ANTHONY

The Catalans have taken the surprise decision to offload the 21-year-old — but they want a hefty £90m to do the deal.

Dembele wants to leave the Nou Camp after another forward — Malcom — arrived earlier this week from Bordeaux.

He is also thought to have a difficult relationship with manager Ernesto Valverde.

Liverpool boss Jurgen Klopp has made no secret of his admiration for the former Borussia Dortmund player who was hit by injuries at Barcelona last season.

He seems to be over those problems now and was part of the French squad that has just won the World Cup.

Arsenal are ahead of the Reds despite not being able to offer Champions League football. He has been dropping hints on Instagram that London would be his next destination.

While the Gunners have been busy in the transfer market, new manager Unai Emery has yet to spend really big money on a player.

It would send out a strong message if he was willing to pay anything like Barcelona's demands.

Klopp would like him to fill the hole left by Phillipe Coutinho but needs to offload some fringe players first to raise the cash.

He is hopeful of doing a deal for Danny Ings for around £20m with Leicester and Southampton both thought to be interested.

But the German could turn his attentions to former club Dortmund if a Dembele deal cannot be done.

Christian Pulisic is another young playmaker who he would like at Anfield.

The Bundesliga men want around £60m for the USA international who starred in a friendly against the Reds last week.

Meanwhile, Manchester United continue to chase both Willian from Chelsea and Leicester's Harry Maguire.

The Blues have told Jose Mourinho that he can have the Brazilian for £55m but it will be harder to get Maguire from the Foxes.

Marcos Rojo could be leaving Old Trafford, with Premier League new boys Wolves keen on signing him.

The Molineux men have just pulled off a coup in buying Joao Moutinho and would love to add the United stopper — despite his injury record.

He would cost around £20m.

HAMMER INTO TOP SIX BET

EVERTON may have won their first pre-season game 22-0 in Austria but they have been brought back down to earth of late and lost 3-0 at Ewood Park against Blackburn Rovers on Thursday

New boss Marco Silva does not yet know his first XI and the Blues look vulnerable 2/1 favourites in BetVictor's market without the big six for the forthcoming season.

At the odds I am very keen on West Ham at 7/1 who are a confident each way selection (ew 1/5th 1, 2, 3,).

The Irons won 3-1 against Aston Villa earlier in the week and there does appear to be some real cause for optimism at the London Stadium. Manuel Pellegrini has spent close to £100m this summer and Brazilian winger Felipe Anderson could be one of the stars of the division although people said something very similar about Davvy Klaasen this time last year.

If Jack Wilshere can be kept off the treatment table I really do believe the Hammers could have a very good campaign despite last season's well-documented problems on and off the field.

After Gary Anderson's nine-darter at the Winter Gardens on Thursday night the Scot went into last night's semi-final with Jeffrey de Zwaan 4/5 to win his first BetVictor World Matchplay title.

Whatever the result of last night's Blackpool semi-final de Zwaan has been a revelation this week and he and Joe Cullen have come of age this week.

There is a cracking card at Uttoxeter this afternoon and in the finale, I hope the recent wind operation works the oracle for Powerful Symbol (5.20) with leading conditional Richard Patrick taking off a valuable 5lbs from the top-weight.

The hat-trick seeking Mrsrobin is the obvious danger for the Skelton's and an 8lbs rise is fair for her fluent Fontwell success over the larger obstacles last time.

I like the booking of Silvestre De Sousa for Pentland Hills ion the mile-and-a-half handicap at Pontefract this afternoon.

The selection was slowly away but made a bold bid to make most on his first start over 12f when runner up at Leicester earlier in the month and there is every chance he might get a soft lead.

The feature race is the listed Pomfret Stakes and the three-year-old Gabr ran a terrific race (3.35) when runner up at Newmarket last time and he is taken to go one better today with Jim Crowley keeping the ride for Sir Michael Stoute.

SPAIN PAIN FOR KANE

Harry 'not good enough' to be a Galactico

REAL MADRID have ruled out a £200m move for Harry Kane — because he's not good enough!

The Spanish giants are looking for a new Galactico to replace legend Cristiano Ronaldo.

Before the World Cup, the Tottenham and England hitman was their prime target to lead Real's new-look forward line with another former Spurs man Gareth Bale.

By JOHN ANTHONY

Eden Hazard is also being lined up from Chelsea but there's no place at the Bernabeu for Kane.

Credible reports in the Spanish capital suggest that Real have been put off by the massive fee they would have to pay for the Three Lions skipper. But it's not only the cash that is putting the Champions League holders off.

New manager Julen Lopetegui is not convinced that Kane would be a success in Spain.

He believes his form at the World Cup wasn't good enough for a Real Madrid player.

Instead, they will turn their attentions to making sure Hazard arrives from Chelsea. And they will make Paris St Germain striker Edinson Cavani the focal point of their attack.

The Uruguay ace is proven in Europe and would be considerably cheaper than Kane — meaning he and Hazard would come at less than the fee for Harry alone.

Cavani has let it be known he is "very receptive" to becoming a Real Madrid player.
